

Respondent firms to the TrustLaw Index of Pro Bono 2016

134 law firms participated in this year's Index of Pro Bono. Of these, 127 firms provided data on the levels of pro bono engagement among their lawyers. All respondent firms submitted qualitative data on the structure of their pro bono practices and the nature of their involvement in providing pro bono legal assistance. Qualitative data has been aggregated and anonymised. All 2016 respondent firms are listed below.
